

**COUNCIL PRESIDENT  
SCOTT H. PETERS**

CITY OF SAN DIEGO

October 3, 2006

Dear Torrey Del Mar Resident:

Many of you have contacted my office regarding the progress on Torrey Del Mar Neighborhood Park at Torrey Meadows Drive and McGonigle Terrace. I want to share good news of our progress.

Over the past two years, the City has been negotiating with a private land owner to acquire 1.5 acres of the five acres the City needs to proceed on the construction of the park.

On May 8, 2006, the City Council unanimously approved the acquisition of the park land and the bidding process for the construction of the park. Since this date, my office has been able to expedite the title transfer and city staff's time on the project. A contractor for the project was recently chosen and construction will begin this month. The park is expected to be open to the public in the fall of next year. I also want to invite you to the groundbreaking ceremony on October 9, 2006 at 10:30 AM at the park site (corner of Kerry Lane and Torrey Del Mar Road).

Torrey Del Mar Park was originally scheduled to open in 2011. After I was elected to the City Council in 2000, I worked with the Torrey Del Mar neighborhood and the local home developers to open this park prior to 2011. This cooperation has moved up the park opening by four years.

Again, I thank everyone who contacted me regarding the park and I look forward to seeing you at the groundbreaking ceremony.

Sincerely,

Scott H. Peters
